A WALK-THROUGH OF THIS HOME

The Parkridge blends luxury with modern barn style, featuring a Scandinavian-themed front elevation with two large gables and a steep roof. Its spacious entrance leads to a porch with an open roof, enhancing natural light. Inside, raking ceilings span the right-side living area, complemented by a separate home theatre and a living-dining area divided by a stone-clad wall with a fireplace. The open-plan kitchen, perfect for family gatherings, flows into a light-filled space with bifold and wide sliding doors leading to the alfresco.
